

Clariant Pakistan Limited gets a second ESHA award for 2010

For the fourth time and third consecutive year Clariant Pakistan limited has been awarded the 7th Environmental Excellence award 2010. CPL has been selected to be among top ten companies of Pakistan for outstanding achievements in environmental Management.

National Forum for Environment and Health organized this award in collaboration with United Nations Environmental Program and Ministry of Environment, Government of Pakistan.

Over 117 different companies participated for this award out of which 58 were selected for further scrutiny. Among these were well reputed companies like BASF,

ICI, Engro, SKF, P & G, Coca-Cola, Total, KSB, Glaxo, Smith and Kline and Siemens Pakistan Limited.

A three member team from Environmental Protection Agency, Government of Sindh visited Clariant site for inspection and verification during selection process.

“The protection of our environment is equal to protection of our future and we need to disseminate this message among the masses so that we can leave behind a heritage of better environment for the generations coming”, said the Prime Minister of Pakistan in his message on this occasion.

Mr. Ali Gul, Head of P&T Clariant Pakistan Limited received the award from Federal Minister for Environment, Govt. of Pakistan, and Mr. Hamedullah Jan Afridi.
