**Clariant – Exactly your chemistry**

Clariant is a global leader in the field of specialty chemicals. Strong business relationships, commitment to outstanding service and wide-ranging application know-how make Clariant a preferred partner for its customers.

Clariant is represented globally by more than 100 group companies and employs about 17,500 people. Headquartered in Muttenz near Basel, Switzerland, it generated sales of CHF 6.6 billion in 2009. Clariant is organized into ten Business Units: Additives; Detergents & Intermediates; Emulsions; Industrial & Consumer Specialties; Leather Services; Masterbatches; Oil & Mining Services; Paper Specialties; Pigments; and Textile Chemicals.

Clariant is committed to sustainable growth, which is derived from its own innovative strength. Clariant's world-class products and services play a key role in its customers' manufacturing processes and add value to their end products. The company's success is based on the know-how of its people and their ability to identify new customer needs at an early stage and develop innovative, efficient solutions.
